Admission Policy 2013

St. Paul's Catholic Primary School was founded by the Catholic Church to provide education for baptised Catholic children. The school is run by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ.

If the number of preferences received is less than the admission number then all preferences will be met. However, when there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed below. By applying to this school parents, or carers, are declaring their support for the aims and ethos of the school.

The Governing Body has responsibility for admissions to the school and intends to admit 30 pupils to Reception Class in the school year which begins in September 2013.

Pupils with a Statement of Special Educational Needs

The admission of pupils with a Statement of Special Educational Needs is dealt with by a completely separate procedure. This procedure is set out in the 1996 Education Act. Details of this separate procedure are set out in the *Special Educational Needs Code of Practice*.

Oversubscription criteria

At any time where there are more applications for places than the number of places available, places will be offered in the following order of priority:

1. Looked after children from Catholic families or children from Catholic families who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order. **
2. Baptised Catholic children who live in the defined area.
3. Other baptised Catholic children.
4. Other looked after children or other children who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order.**
5. Other children.

***** Looked after children includes a child who is in the care of the local authority or who is being provided with accommodation by the local authority in the exercise of their social services functions and previously looked after children who ceased to be so because they became subject to a special guardianship order or a residence order or were adopted immediately following having been looked after.***

Catechumens are to be given priority next after baptised Catholics in each of the above categories.

Where the offer of places to all the applicants in any of the categories listed above would lead to over-subscription the following terms will be applied.

The attendance of a brother or sister at the school at the time when the younger child starts school will increase the priority of an application within each category. (see notes)

Tie Break

Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'straight line distance' will be used as the measure (see notes).

Application Procedures and Timetable

Failure to provide a Common Preference Form (CPF) would mean that the application is not valid and failure to provide a Supplementary Information Form (SIF) could mean that the applicant is placed in the last criteria.

A standard application form, known as the Common Preference Form must be completed and can be returned to the Local Authority The Admission Team, 10th Floor West, Merrion House, 110 Merrion Centre, Leeds LS2 8DT or handed in at the school by 15th January 2013. Parents are able to register their preferences online from the Local Authority (Leeds). The Supplementary Information Form attached to this policy should be submitted by noon on 15th January 2013 to the school c/o Chair of Governors, St Paul's Catholic Primary School, Buckstone Crescent, LS17 5ES. Parents or carers will be advised of the outcome of their applications either by email on 16th April 2013 or by post sent on 16th April 2013. Unsuccessful applicants will be given reasons related to the over-subscription criteria listed above and advised of their right of appeal to an independent appeal panel. Appeals should be in writing. Parents have 20 school days to appeal (see note below).

Deferred Entry to Primary Schools

Parents of children who are offered a place at the school before they are of compulsory school age can defer their child's entry until later in the school year or until the child reaches compulsory school age in that school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child during the remainder of the school year. Parents cannot defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age.

Admissions outside the normal admission round from Sept 2013 - applications should be made to the school and will be dealt with by the Admission Authority of the school i.e. the Governing Body

Waiting Lists

As well as their right of appeal, unsuccessful applicants will be placed on a waiting list. This waiting list will follow the order of the oversubscription criteria set out above. Names are taken off the list at the end of the Academic Year (August 2014).

NOTES: (these notes form part of the over-subscription criteria)

Catholic means a member of a church in communion with the See of Rome. A certificate of baptism in a Catholic church, or a certificate of reception into the full communion of the Catholic Church, will normally evidence this. This includes the Eastern Catholic Churches.

Catechumens are those children who have given an explicit desire to be baptised into the Roman Catholic Church and who are currently preparing to receive the same by regular participation in Sunday worship and a recognised programme of preparation. A letter from the Catholic priest preparing the child is required.

Looked After Child has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents).

Defined area is a geographical area. Please see boundary maps available for inspection in school (boundaries determined by the Diocese of Leeds).

Siblings (Brothers and Sister) includes children with brothers and sister (including step-siblings, adoptive siblings and foster siblings) of statutory school age, living at the same address, in attendance at the same school on the date of admission.

Twins or Triplets where a family of twins or triplets request admission and if one sibling has been offered the 30th or last place the 'excepted pupil' rule comes in and the other twin/triplets are offered a place.

Live - In all categories "live" means the child's permanent home address. A child is normally regarded as living with a parent or guardian and we will use the parent or guardian's address for admission purposes. You cannot lodge a child with a friend or relation in order to gain a place at a school. For admissions purposes only one address can be used as a child's permanent address. When a child lives with more than one parent/carer, at different addresses, we will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.

Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal, places will then be decided by random allocation.

Straight Line Distance in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight line measure from the centre of the main school building to the home address, have priority.
