

prospects | School Subscription Service

From the largest supplier of careers guidance in the UK

School Subscription Service is an exciting new product from Prospects Services. Sitting alongside our Careers Advice Plus Service, School Subscription is designed to support schools in discharging their CEIAG responsibilities.

It isn't designed to replace face to face guidance for students who need it, but it does offer schools a way of making sure that your provision to all of your students is of an excellent quality and that you are kept in touch with up to date information to help and support students and teaching staff.

School Subscription includes several main elements:

Quality assurance material for you in managing your provision:

Tool	Purpose
CEIAG Health Check	Self assessment tool benchmarked to national requirements
Careers Library Audit	Self assessment tool to assess the material provided for your students
Annual Survey of your students experience of CEIAG using SurveyMonkey	To evidence your provision of CEIAG

Keeping you up to date:

Tool	Purpose
E-alert and link to key documents relating to CEIAG such as policy documents and changes to guidance	To keep you and your staff teams updated

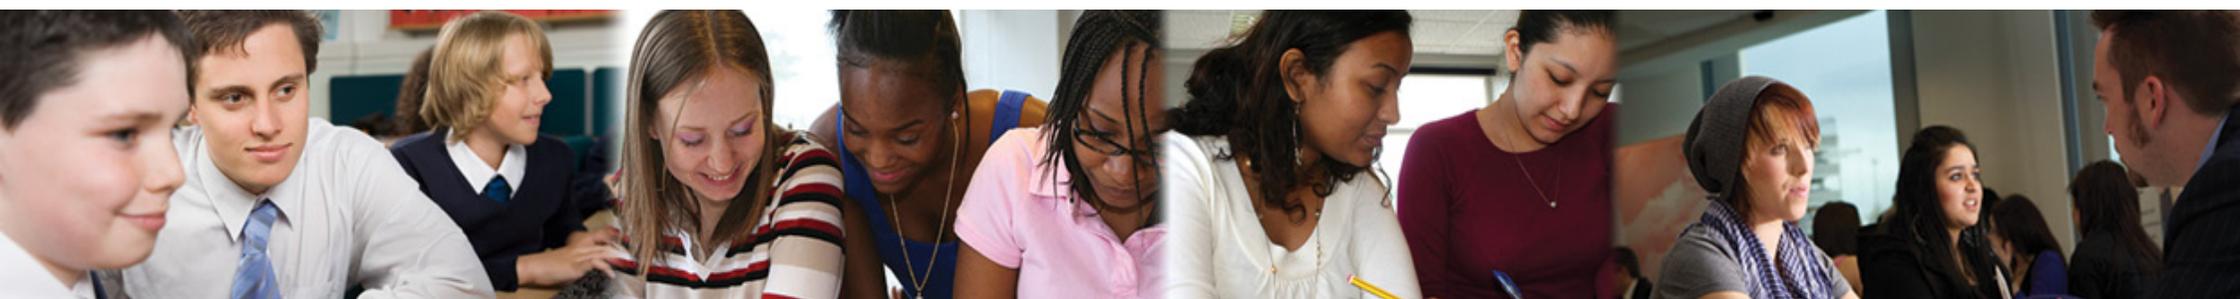

Resources to support you in delivering programmes:

Tool	Purpose
Lesson plans: <ul style="list-style-type: none">• Options at 16+• Options at 18+• Doing an apprenticeship• Alternatives to HE• Making effective applications• Identify your skills• Preparation for work placement	For students in years 9-13
Assembly Powerpoint	For use with students in years 9 and 11

Information products:

Tool	Purpose
Set of Prospects Fact Sheets (PDF)	Key topics updated on printable Fact Sheets
CEIAG and the internet	Links to good websites in 23 vocational areas
CEIAG statement for use on your website	To ensure that all young people and parents know about your CEIAG commitment and offer

Information directly to students and parents:

Tool	Purpose
A monthly e-alert for year 11 (or 12/13) students between March and July giving them information about transition such as preparing a CV	To ensure that all year 11 students have access to some transition support
Leavers e-alert	Making sure that young people who know they are leaving school get information about options
An information bulletin for parents of year 9 and 11 students	To make sure that parents understand the options available and where to get help

Training materials:

Tool	Purpose
INSET materials for use with tutors	Helping tutors to understand the options and where students can access help

The School Subscription Service is offered for an annual cost of £300.

All materials provided can be adapted for your use. Communication with your students is through email addresses provided by you, and would be approved by yourselves prior to sending.
